Angus Breeders Sell Production

Angus breeders throughout the Midwest have had larger crowds and higher gross dollar results through advertising their recent production sales on AM 580 WIBW radio.

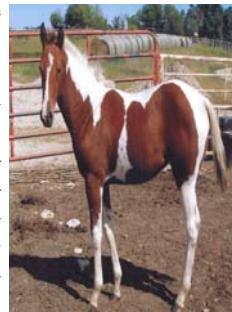

Among those with commercials airing on WIBW in recent days were Eby Ranch, Emporia; Harshman Angus, Maryville, Mo.; Lindell Angus, Leonardville; and Proven Brands of Kansas Angus Female Sale at Sedgwick..

Complete results have not been received for all of the auctions, but Rance Long of Big Cabin, Oklahoma, who managed the sale at Sedgwick, indicated that the 84 lots sold for an average of \$4,000.

Consignors at that sale included Dalebanks Angus, Eureka; Harms Plainview Ranch, Lincolnville; Hinkson Angus, Cottonwood Falls; Lyons Ranch, Manhattan; McCurry Brothers, Mt. Hope; and Mill Brae Ranch, Maple Hill, all regular advertisers on AM 580 WIBW.

Supper is at 5 o'clock with an opportunity drawing for a Paint foal and a quilt. Live and silent auctions are set followed by a dance.

Pride Shows Through At Americus Days 2011

"American Pride" was the theme that was obvious during the 45-minute parade which drew entries from a wide area and crowded-spectator-route for Americus Days 2011, advertised on AM 580 WIBW.

According to Nancy Wells of the coordination committee, a full day of activities in the Lyon County rural community started with breakfast to kick off the 5K run plus basketball, quilt show, book sale,

Playscape ribbon cutting, and then entries from the car show and antique tractor pull added to the parade line-up.

There was something for everybody including horseshoe pitching, pony rides, kids games, animal zoo, bingo, hay rack ride, cruise drive and an evening dance.

The second annual Ranch Rodeo and Old Fashioned Fun Day have been planned Saturday afternoon by the Jackson County Fair Association in the new Northeast Kansas Heritage Complex located at the Highway 75 and Road 214 intersections, announced Deb Dillner, fair board secretary.

Supper is at 5 o'clock with an opportunity drawing for a Paint foal and a quilt. Live and silent auctions are set followed by a dance.

Resource Fair Draws Crowd

"On Saturday, the atmosphere at the Resource Fair in Seneca matched the beautiful day outside as families from all throughout northeast Kansas and southeast Nebraska came to the Special Kids-Informed Parents-sponsored event," according to Sheril Bergman, president of SKIP, Inc.

Families, educators and the general public heard speakers, sampled goat dairy products, viewed exhib-

its, had free dental screenings and shared in more than \$11,000 in prizes for the fair advertised on AM 580 WIBW.
