

Opportunities Abound For All At 17th 94.5 Country Stampede In Manhattan

Just six weeks away, but there's still plenty of time to be right in the middle of all the action for The BIG 94.5 Country Stampede at Tuttle Creek Reservoir north of Manhattan, June 21st through the 24th.

One of the largest and certainly most acclaimed country music festivals in the world, the 17th edition of the 94.5 Country Stampede already has ticket-holders from throughout the country. More than 165,000 people are expected to be there this year setting an all-time record attendance.

Billboard's top country music artist of the decade, and multiplatinum selling megastar Toby Keith will be the headliner on Saturday, June 23. Grammy Award winning fan favorites The Zac Brown Band is to fill in the Friday, June 22, headline spot, while Sunday's headlining slot features CMA new artist of the year, song of the year, and single of the year winners and sibling powerhouse The Band Perry.

Platinum recording artist Luke Bryan headlines on Thursday, June 21. A dozen other performers are set throughout four days on the Main Stage, with equal number entertaining from the Tuttleville Stage.

The National Songwriters Association International Songwriters tent attracts inspiring writers to visit and learn the ropes from those who've already achieved stardom. Country Stampede 2012 Magazine, published by Able Printing Company, will be available for complete details and as a souvenir.

Still, there'll be much more than the best country music in the world. Many families spend the entire week camping on Stampede grounds. Twenty acres are filled with makeshift-living accommodations of every imagination by opening day, and a number won't leave until the morning after the final song.

To rough it in luxury, there are VIP tickets offering the ultimate hospitality experience including early entrance, the best parking, seating and hospitality.

Sponsorships, advertising and display opportunities are still abound for all businesses and organizations. Included are campground naming rights, the ultimate backstage experience, encore show, stage curtain logo, runway signage, ticket sponsors and the on-air studio sponsor.

For those who want to be in the action live the entire four days, booth spaces are available to sell merchandise, distribute informational materials or just have incomparable exposure. Others wanting constant advertising can have banners on display all around the

Stampede grounds for the entire four days.

The StarScreen right in front of the full audience all of the time offers commercials, border banners, bugs and texting.
